

Partnership with the Reformed Presbyterian Church of India

Presbyterian Theological Seminary

In India we partner with the **Reformed Presbyterian Church of India**. It is a relatively small denomination with 10 congregations and a number of fellowships. The church is involved in education, ministry to people on the margins of society and planting new congregations.

One of the primary ways in which the Presbyterian Church of Australia supports the ministry of the Reformed Presbyterian Church of India is through our support for the Presbyterian Theological Seminary (PTS) in Dehradun. We assist the seminary through
(a) Training Lecturers

currently undertaking PhD studies at PTC Melbourne. It planned that in early 2019, lecturer Vijai Tagore will undertake PhD studies at Christ College in Sydney.

(b) Financial Support

Through the generosity of some members of the Presbyterian Church of Australia of Australia and the Victorian Assembly, we have been able to financially assist the seminary.

PTS is a strategic seminary because some of the graduates serve outside India in countries such as Butan and Nepal, while other graduates serve as lecturers at smaller Bible colleges. PTS is the only Reformed seminary in India.

Training Christian workers is an important need that is immediately urgent and essential in the long term. The life and health of the Church depend on the proper development of pastors, teachers, evangelists and missionaries. In churches, poor discipling and lack of teaching and modelling of biblical life and leadership are problems..
