

## Partnership with the Church of Central Africa Presbyterian, Zambia Synod

The Presbyterian Church of Australia has agreed to provide, as finances permit, funds to enable the construction of new church buildings and for meeting other needs; to pray for the work and witness in Zambia; to provide advice, resources and (where possible) training in leadership and church government.

The **Church of Central Africa Presbyterian, Zambia Synod**, has agreed to pray for the spread of the Gospel in Australia; to send articles and other literature to the Presbyterian Church in Australia to shed light on African Christianity; to welcome visitors, lecturers and short-term teams from Australia and to provide APWM with regular reports to ensure transparency and to provide up-to-date prayer and praise information.
